Student Health Services at Santa Rosa Junior College

SRJC Dental Hygiene Clinic

SRJC's Dental Clinic is located on the first floor of the William B. Race Health Science Building, on the Santa Rosa Campus. The Dental Programs provide dental hygiene care to all community members for minimal costs. Cleaning, x-rays, application of topical fluoride and dental sealants are currently offered, and availability of appointments varies from semester to semester.

Call (707) 522-2844 for more information.

SAINT JOSEPH'S DENTAL CLINIC-Emergency Dental Services

Services offered are limited to prevention/education, cleanings/exams, x-rays, basic fillings, and extractions for children 0 to 16.
