We, the women and men of **Verity** (formerly United Against Sexual Assault), working in partnership with the community, strive to eliminate all forms of violence, with a special focus on sexual assault and abuse. Sexual assault is an unacceptable and unconscionable form of oppression, which is destructive to the lives of survivors, their families, and friends. Verity facilitates healing and promotes the prevention of violence by providing counseling, advocacy, intervention, and education, in our communities.

What to do if you have been assaulted:

Get to a safe place as soon as possible. Your immediate safety is first.  
Call a friend or family member; someone you trust, for support.  
Call Verity 24/7 Hotline for support: (707) 545-7273 – speak confidentially with a victim advocate.
