

VISION CARE SERVICES

Student Health Services at Santa Rosa Junior College

Optometry Resources (for those with uncomplicated need for corrective lenses)

An optometrist is a professional trained to provide primary eye and vision care and improve vision with glasses, contact lenses, etc. An optometrist is an O.D. (Doctor of Optometry), not a physician

Currently Accepts Medi-Cal

Dr. Shipley and Associates (707) 525-9920

Dr. Michael C. Shulkin (707) 542-3404

Other Resources

Many individual optometry service providers are listed in the Yellow pages under “Optometrists”, where you may find one with a convenient location for you. The following listings are general providers of optometry services.
