Student Health Services at Santa Rosa Junior College

Positive Images provides support to the North Bay's LGBTQIA+ population, with an emphasis on identities and individuals at the margins – including transgender and nonbinary individuals, LGBTQIA+ people of color, Latine families, neurodivergent people, and disabled people. We are dedicated to providing essential services that encompass mental health support, advocacy, and education. Positive Images provides a safe space for teens and young adults and community educational services for high schools, businesses, community-based organizations, colleges, hospitals, social service departments, and organizations interested in learning more about the issues facing LGBTQIA+ youth and young adults.

We, the women and men of **Verity** (formerly United Against Sexual Assault), working in partnership with the community, strive to eliminate all forms of violence, with a special focus on sexual assault and abuse. Verity facilitates healing and promotes the prevention of violence by providing counseling, advocacy, intervention, and education, in our communities.

What to do if you have been assaulted:

Get to a safe place as soon as possible. Your immediate safety is first.

Call a friend or family member; someone you trust, for support.

Call **Verity 24/7 Hotline for support: (707) 545-7273** – speak confidentially with a victim advocate.
